If you love finding the best deal without driving all around town, then you'll love the new features from [Shopper 8.0](#), just announced today, for the iPhone, iPod Touch and Blackberry. Imagine combining this money-savings app. with [STL Mommy's money savings web site](#) which matches up local deals with coupons. Your end-result savings could be monumental. The #1 grocery app, Shopper has added a store finder using a GPS system to locate all the stores in your area along with their weekly/daily ads of over 100 retailers. In just a click, you can be connected to their store to verify that the item you are searching is in stock. It will also find a deal of the day from a local store and post it on your Daily Deals Tab. All can be shared with friends via Facebook or E-Mail.
